

CERAMICS & BEYOND

**Handmade Tiles**

## ABOUT US

Ceramics & Beyond introduces the 'Aesthetic Culture' series available in Handmade ceramic tiles, Hand printed ceramic tiles and Mosaics done in stone and tile. The series forwards magnificent design and patterns in spectacular colours and various sizes. Ceramics and beyond offers customization options in relation to design, size and colour, thus providing the perfect solution for awe-inspiring interiors, exteriors, cladding, elevation, staircase, so on and so forth. The tiles are available in both, glossy and matte finish. Baked at 1045 degrees, they never lose their colour and look. They are stain free and thus they are easy to maintain and look breathtaking even after years.
